The SEFEL pyramid model provides evidence-based practices that promote the social emotional development and school readiness of young children birth to age five. Workshops are offered individually or in a series.

Each participant will receive a comprehensive SEFEL binder and Core of Knowledge (COK) certificate (MSDE approval # CKO-1700).

Base rate for full day training/1 module for 25 participants at your site is \$2,000.

Additional charge for programs outside of Montgomery County.
